

2006 Ohio Wing Cadet Competition Competition Guidelines

The Ohio Wing Cadet Competition is an annual event. Cadets participate in the color guard and drill team events as well as serve in various staff positions. Senior members participate as staff, judges, spectators, or team escorts. The competitions are in place primarily to select the top Color Guard and Drill Team that will represent Ohio Wing in the Great Lakes Region Cadet Competition. The competition is composed of seven events for the Drill Team Competition (DTC) and Color Guard Competition (CGC).

Events:

Inspection (CGC and DTC)

Written Examination (CGC and DTC)

Mile Run (CGC and DTC)

Standard Drill (CGC and DTC)

Panel Quiz (CGC and DTC)

Practical Indoor Drill (CGC)

Practical Outdoor Drill (CGC)

Volleyball (DTC)

Innovative Drill (DTC)

The CGC and DTC will take place during one single activity; therefore, cadets participating in the activity are restricted to participation as a part of only one team during the overall competition.

The National Cadet Competition Rules of Engagement 5.4 (NCC ROE 5.4) is the primary rule source for Cadet Competition. However, this guide supersedes specified parts of the National ROE during the Ohio Wing Cadet Competition. If a subject is not specifically mentioned in this guide the NCC ROE 5.4 will be the basis for judgment with appropriate changes from national/region references to wing level terms (example: rather than reporting-in using Great Lakes Region, teams will report-in using their unit/squadron name).

Appeals: Any judge's decision may be appealed to the Project Officer. The Team C/CC must present the dispute, in writing, to the Project Officer within 2 hours of the dispute. The Project Officer's decision is final.

OHWG Amendments to NCC ROE 5.4

General

1-2: Team escorts are not required to be 25 years old; general CAP policies regarding supervision must be followed.

Color Guard Competition

2-2: White Shoulder Cords will not be worn. They are reserved for the Ohio Wing Cadet Competition Champions

2-2: OHWG will provide a US flag to be used for the Outdoor Practical Drill

2-9: Time limit for panel quiz games: 20 minutes

Drill Team Competition

3-2: White shoulder cords will not be worn. They are reserved for the Ohio Wing Cadet Competition champions.

3-7: Time limit for panel quiz: 20 minutes
